Experience

Freelance

- Logo design, advertising, and social media management & collateral design, 2010–Present

SSPL India Pvt. Ltd. - ssplindia.net

- Design consultant for advertising, packaging, catalogues, photoshoots & website redesign, 2010–Present

Fountainhead Digital - fhexperience.co

- Internship, April-June 2012
- My roles included market research & presentations on design trends, conceptualising a magazine app, UI & UX, and RFID project assistance through mocks, video presentations & photography

Founder of Studio Quad

- Digital media designer, May 2011–2013
- Studio Quad was a multidisciplinary studio I formed with a few of my graduating peers at RMIBLR. We worked to create fresh ideas and solutions in the areas of graphic, interior, digital & interactive design.
- My main roles were digital & interactive design services, studio development, project leadership and client servicing.
